On the move...

Preferred Freezer Services announces the Grand Opening of its second state-of-the-art cold storage facility in the Northeast. Preferred Freezer Services of Raynham, Massachusetts marks the completion of our 10th facility within our nationwide network.

Preferred Freezer Services of Raynham is a 6 million cubic ft. 0 degrees Fahrenheit facility with 100% single deep racking system extending more than 60 feet in height with 20 dock doors. Our state-of-the-art machinery and warehousing system, 2-acre truck yard and location makes this facility a full service operation. Expect nothing but the best service from our newest facility.

In the pipeline for 2003 is Preferred Freezer Services of Chicago, Illinois and Preferred Freezer Services of Medley, Florida. Our Chicago facility will be located in the heart of Chicagoland, directly off of I55. Preferred Freezer Services of Medley will be adjacent to our current facility in Medley, Florida, Preferred Freezer Services of South Florida.

Preferred Freezer Services currently operates 44 million cubic feet of state-of-the-art, standardized refrigerated warehouses. Our facilities are located in the New York / New Jersey metropolitan area, Boston, Massachusetts, Vernon and Los Angeles, California, and Miami, Florida. With our state-of-the-art technology, superior customer service and employee loyalty, Preferred Freezer Services has positioned itself not only to maintain its competitive edge in the market place but also to become the preeminent specialized PRW (Public Refrigerated Warehouse) within the nation.

About Preferred Freezer Services
