Preferred Freezer Services 3 New Ultra Modern Facilities are Now Open and Ready for Business!

We have opened the first locations in new regions for Preferred Freezer Services that include Norfolk, Virginia; Houston, Texas; and Atlanta, Georgia. The facilities follow in the heels of a nationwide expansion plan that commenced early this year to build 7 new buildings throughout the United States.

We are following the three openings with the opening of our newest building on the West Coast-Preferred Freezer Services of Washington Blvd. (Los Angeles), California in the next coming weeks.

With nearly 21 million cubic ft. of newly added freezer space, our newest locations can assure customers of the same superior services they have become accustomed to for nearly 20 years.

All Preferred Freezer facilities are constructed using leading-edge technology, which incorporates the finest MIS systems available. But it's more than the buildings; it's the quality of the employees. Outstanding people, coupled with state-of-the-art facilities results in exceptional quality and performance in all facets of business.

Look out for more facilities to open in Boston Harbor (Expansion), Massachusetts; Jacksonville, Florida; Elizabeth, New Jersey; Oakland, California; and more to come.

Headquartered in Newark, New Jersey, Preferred Freezer Services is dedicated to designing, opening and operating state-of-the-art warehouses throughout the US. It has grown from a single facility in 1989 to its current 21 facilities and growing. Preferred

Freezer Services operates in strategic port locations that include New York/New Jersey, California, Massachusetts, Florida, Illinois, Pennsylvania and now in Virginia, Texas & Georgia.
