Recent plans unveiled by Preferred Freezer Services of Newark, NJ indicate that it will build and open eight new facilities in strategic locations throughout the USA in 2007.

Starting off this very busy year, Preferred Freezer Services opened the first of these facilities on January 2nd in Los Angeles CA. It is their 16th facility nationwide and 5th facility in Los Angeles. This new, custom build warehouse will be known as Preferred Freezer Services Long Beach Freeway (LBF), and is located at 4901 Bandini Blvd., Vernon, CA.

Not far behind, and across the country in Philadelphia, PA, the finishing touches are being put on the first PA facility for Preferred Freezer Services, making it the 17th nationwide. The Philadelphia facility is located less than a mile from the Packer Avenue Terminal in the Port of Philadelphia, and is expected to open February 2007. Philadelphia's business address will be 3101 South Third Street, Philadelphia, PA. This new facility is strategically located to serve Southeastern PA, Southern NJ, Northern DE and the East Coast Corridor and like all Preferred Freezer locations, it is committed to supporting business needs in the immediate and surrounding areas.

Preferred Freezer Services is dedicated to designing, opening and operating state-of-the-art warehouses throughout the USA, that fulfill a growing need in the frozen refrigerated warehouse industry. Look for new facilities in Houston, TX; Jacksonville, FL; Chesapeake, VA; a sixth facility in CA, and one in Atlanta, GA.

Headquartered in Newark, New Jersey, Preferred Freezer Services is dedicated to designing, opening and operating state-of-the-art warehouses throughout the USA. It has grown from a single facility in 1989, to its current 17 facilities. Preferred Freezer Services operates in strategic port locations that include NY/NJ, CA, MA, FL and IL
