PREFERRED FREEZER SERVICES OPENS ITS FIRST INTERNATIONAL FACILITY IN HO CHI MINH CITY, VIETNAM

Newark, New Jersey (April 16, 2010) – Preferred Freezer Services, headquartered in Newark, New Jersey announces the grand opening of its first international cold storage facility located in Ho Chi Minh City, (Saigon) Vietnam as part of its new international expansion strategy plan. This freezer is the first in a series of twelve (12) freezers planned to open throughout Asia over the next 36 months. In addition to Vietnam, two freezers are currently under construction in Shanghai, China.

The cold storage specialist carries on the tradition of hiring fully trained professional employees, coupled with leading-edge material handling equipment and an inventory warehouse management system (WMS) providing a cutting-edge facility for local and multinational food companies. This fully-automated facility has a 24,000 pallet-position capacity within its eight (8) million cubic feet (226,500 cubic meters) of freezer space. The company now operates with nearly 188 million cubic feet of refrigerated space system-wide.

The first international facility in Ho Chi Minh City is conveniently located 1000 meters (.62 miles) from the Phu My Bridge in District 7, 15 minutes from Cat Lai and VICT Ports and 20 minutes from the District 1, city center.

For more information on the Vietnam facility, contact Paul Montero, Sales Director at +84 8 3773-3303 or pmontero@preferredfreezer.com. For more information on all facilities, please visit <http://www.PreferredFreezer.com> or contact [Daniel DiDonato](#) at 973-820-4040.
