**PREFERRED FREEZER SERVICES NEWEST ADDITION  
Preferred Freezer Services Breaks Ground in Elizabeth, New Jersey**

**Newark, New Jersey (December 21, 2010)** – To meet the increasing cold storage demand for the Tri-State area, Preferred Freezer Services, one of the leaders in cold storage warehouses, breaks ground on their second facility in Elizabeth, New Jersey. This cold storage specialist, recognized by their polar bear logo, is setting the industry standard by opening its sixth fully-automated warehouse, the company's third in the United States.

Adjacent to their first Elizabeth facility built in 2008, the new warehouse will supplement the continued growth of cold storage needs for major frozen food suppliers, importers, manufacturers, distributors and wholesalers.

Multiple sixty foot cranes, capable of working within low temperatures and complete darkness, will handle the high volume inventory with accuracy utilizing aisle-changing technology. To maintain inventory integrity, bar code scanning will track product inventory through its life cycle as it moves and is stored throughout the 6.6 million cubic foot warehouse.

“This building exemplifies the steadfast growth resulting from our global expansion project providing cutting-edge quality storage facilities for the frozen food supply chain”, comments Brian Beattie, Executive VP of Sales and Marketing at Preferred Freezer Services.

Upon the completion of their new Elizabeth, New Jersey freezer in 2011 the company will have a portfolio of 28 locations including their newest fully-automated international facilities in Ho Chi Minh City, Vietnam that opened earlier this year and Lingang Park in Shanghai China scheduled to open in the first quarter of 2011.

For more information on both Elizabeth facilities, contact Justin Harris, Sales Manager at (973) 854-9400 or [jharris@preferredfreezer.com](mailto:jharris@preferredfreezer.com). For information on all 27 Preferred Freezer Services locations, please visit [www.PreferredFreezer.com](http://www.PreferredFreezer.com) or contact Dan DiDonato at 973-820-4040.
