### **Preferred Freezer Services Atlanta West Now Open**

**Chatham, New Jersey** (October 25, 2018) – Preferred Freezer Services (PFS), a global leader in advanced design and engineered temperature-controlled warehouses is excited to announce the opening of its newest and second facility in Atlanta. Atlanta West satisfies the demand for modern and efficient cold storage warehousing services in the competitive Atlanta market. The new facility marks the company’s second in the Atlanta area and thirty-ninth in the United States.

“Atlanta West will offer frozen and cooler capacity with the best material handling equipment and WMS technology available,” said Ryan Laurent, Regional Director. He went on to mention, “I appreciate all of the hard work and dedication from our construction and development partner, as well as our local staff, to get this facility open in just 10 months. We look forward to servicing our customers the only way we know, with the desire and enthusiasm to Get It Done™!”

Atlanta West is located near Interstate 20 and just minutes from downtown Atlanta. The state-of-the-art facility, which is BRC Certified, covers over 169,000 square feet and adds to the company’s expanding footprint.

“We look forward to achieving the high service levels of the Preferred Freezer Services network,” said Charles Betts, Sales Manager of Atlanta West. He continued with, “our Atlanta West team is a winning combination of transferred veterans from our original Atlanta location and the most enthusiastic and positive recruits in Metro Atlanta, who have been training for months. This facility has an amazing design with the versatility and staff to support the growth boom in the southeastern United States.”
