# WHAT MAKES PFS THE BEST

## Advanced Building Design Features

- Energy efficient
- All buildings are designed to ensure:
  - Product integrity is maintained
  - Appropriate chain of custody
  - Proper handling
  - Rapid loading/unloading of trucks
- Large Docks: 90-100 foot deep for staging inbound and outbound
- Vertical dock levelers with truck doors opening into dock
- Electric pallet jack & battery charger at every door
- Full security with fencing and cameras
- Large truck yards

## Redundancy

- Customized refrigeration system capable of running at optimal levels on two units
- Back-up diesel powered generators
- Satellite & 3G back-up for I/T and communications systems for full functionality

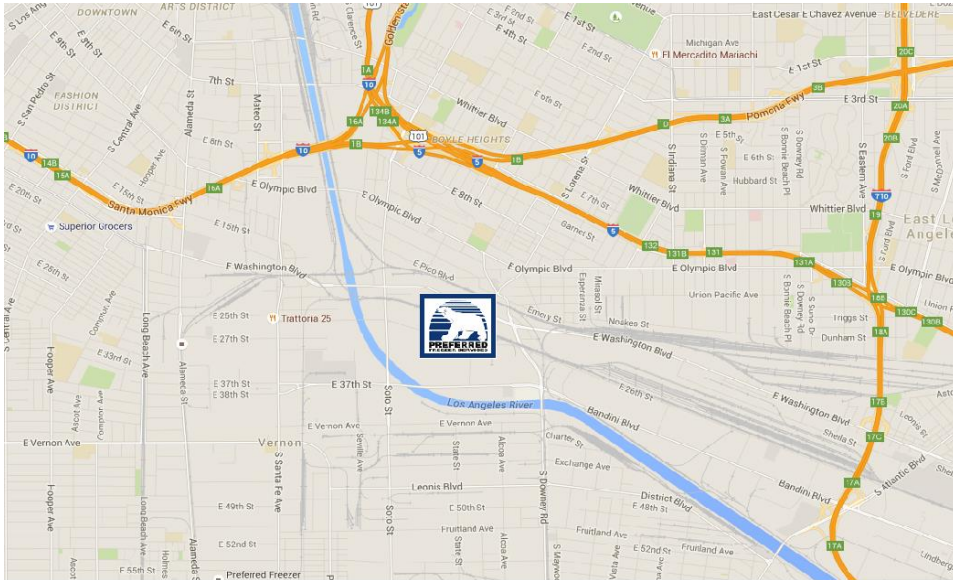

## Our People

- People at PFS must have these traits:
  - Do whatever it takes to over perform
  - Integrity without question – unwavering trust
  - Possesses a desire to help others
- Our Core Value is to be trusting in each other to such an extent that we build the unwavering trust of our customers
- Our goal is “To be perfect in the eyes of our customers”
- **“We Get it Done”** for our customers

# LOCATION

Conveniently located just south of Downtown Los Angeles with easy access to the 5, 10, 101, and 710 freeways.
